

**Rep. Anita Astorino Kulik
and Allegheny County Sheriff's Office**

PROJECT D.U.M.P.

Disposal of Unused Medications Properly

Saturday, May 12

9 a.m. to 11 a.m.

Fairhaven Park

Fairhaven Road

Kennedy Township, PA 15136

Safely dispose of your unused or expired medications!

State Rep. Anita Astorino Kulik and the Allegheny County Sheriff's Office are sponsoring a **PROJECT D.U.M.P.** drug-disposal event beginning at 9 a.m. to 11 a.m. Saturday, May 12, at Fairhaven Park, Kennedy Township.

Residents can safely and anonymously dispose of unneeded, unwanted or expired prescription drugs often stored in home medicine cabinets at the free event.

Safely disposing of medications keeps potentially dangerous drugs away from those susceptible to drug abuse and dependence. Safe disposal through **PROJECT D.U.M.P.** – Disposal of Unused Medications Properly – also is environmentally friendly, keeping drugs out of the waste stream and from polluting our water.

Rep. Kulik and her staff also will be distributing information on illegal drugs and substance abuse at the May 12 event.

Please call Rep. Kulik's office at 412-264-4260 for more information. The PROJECT D.U.M.P. hotline is 412-459-5000.
