City of Johnstown  
Attn: City Manager Art Martynuska  
401 Main Street  
Johnstown, PA 15901

Dear Mr. Martynuska,

I am writing to request a written update on the status of the Public Works Building project. As you know I successfully secured a \$2.5 million state grant to complement the American Rescue Plan Act (ARPA) funds that were previously allocated for this important project.

The deadline to spend the \$2.5 million in ARPA funds is quickly approaching, and timely coordination is essential to ensure that these funds are utilized effectively and within the required timeframe. Given the matching grant secured, this represents a significant opportunity to enhance our police department and benefit our community.

Could you please provide an update on the current progress, including plans, cost estimates, and timelines?

Thank you for your attention to this matter. I look forward to your prompt response to keep the Public Works Building project on track.

Sincerely,
