UPCOMING OPEN HOUSE EVENT:

DISTRICT OFFICE GRAND OPENING

**MONDAY, MARCH 10
12 P.M. - 2 P.M.**

You are invited to attend the ceremonial grand opening of my district office, located at 5845 Germantown Ave. in Philadelphia on Monday, March 10 from 12 P.M. until 2 P.M. I look forward to celebrating my office's opening with our community, and then getting right to work for you! Give us a call if you have any questions about this event.

HELLO NEIGHBOR!

My name is Andre D. Carroll, and I am proud to be your state representative! Our legislative district, the 201st, encompasses the northwest Philadelphia neighborhoods of Germantown, Logan and West Oak Lane. I was initially sworn in to begin my service in September of 2024 and served the final months of the 2023-24 legislative session. This January, I was sworn in for the 2025-26 legislative session.

As someone who was born and raised in Germantown, it is the honor of my lifetime to represent our community in the Pennsylvania House of Representatives. I am extremely grateful to you for entrusting me with this awesome responsibility!

In the Pennsylvania House, my sole purpose is to ensure that our community, and communities across Pennsylvania are not left behind by our government. I promise to be a strong advocate for legislation to address critical issues such as criminal justice, health care, education, environmental justice, worker rights and housing.

In the district, my office is here for you! If you ever need assistance with any state government-related services, give us a call, send us an email, or stop by in person and we will work to resolve your issue.

To stay updated on news in the district and from the state Capitol, follow me on social media, visit my website, or sign up to receive emails from me by scanning the QR code below or going to pahouse.com/Carroll/emailsignup.

I'm excited to get to work on your behalf!

Warm regards,

Andre D. Carroll

AT THE STATE CAPITOL

I joined some of my colleagues and criminal justice advocates to discuss the importance of compassionate release for incarcerated individuals. We must ensure that incarcerated people who are suffering from chronic medical

conditions or some sort of extraordinary event are able to be released so they can get the urgent help they need. In the future, I plan to introduce legislation on this issue to grant geriatric individuals parole.

It was an honor to meet Civil Rights icon Rev. Jesse Jackson! Rev. Jackson has fought for the rights of Black Americans and all marginalized groups for more than half a century. He is a hero to so many, including myself, as he has sacrificed so much of himself for the betterment of our nation.

Gov. Josh Shapiro delivered his budget address for 2025-26 in the Pennsylvania House Chamber. His proposed budget includes investments in crucial areas such as mass transit, public education, our workforce, child and dependent care, and much more. Additionally, his proposed budget would legalize adult-use, recreational cannabis and invest in programs that benefit our seniors. Over the coming months, my colleagues and I will negotiate the budget and look to pass a finalized version. I will do my part to ensure we include the important funding the governor proposed so that we can move Pennsylvania forward!

IN THE COMMUNITY

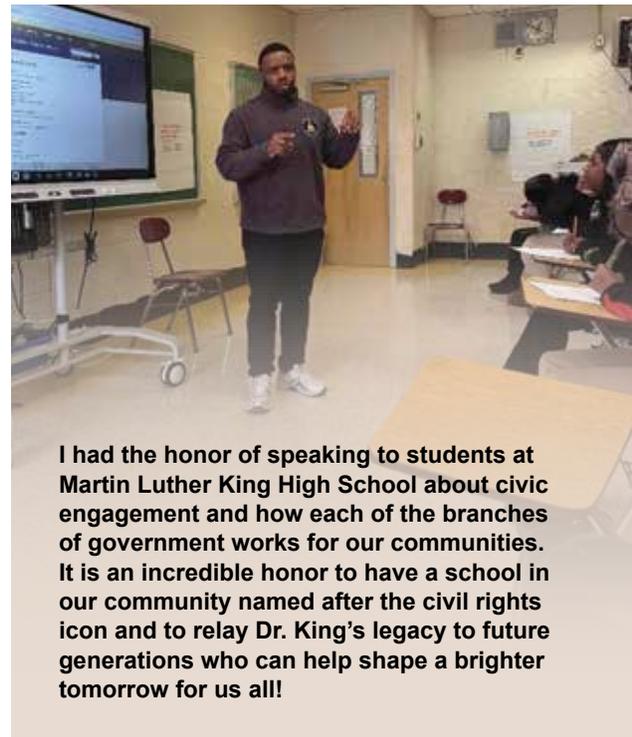

I had an amazing time speaking with students at Mayfair Elementary School, where I got to join them for their Dope Students Podcast. It was incredible to see these students not only film and produce the podcast but also tackle some tough questions with confidence!

Programs like this are essential to equip our youth with the tools they can use to be competitive in the workforce later in life. Let's invest in our students today for a brighter tomorrow! While Mayfair Elementary School is not in the 201st Legislative District, Mr. Jarrett (pictured right), who teaches there, lives in our district and invited me to visit. I'm very proud of the work he is doing to help our youth grow and succeed!

I had the incredible honor of speaking at The People's March (formerly known as the Women's March)! It was empowering to share my thoughts and connect with so many passionate individuals. The energy and support in the crowd were truly inspiring! I'm feeling grateful to be part of such an important movement. Together, we can make a difference!

I had the honor of speaking to students at Martin Luther King High School about civic engagement and how each of the branches of government works for our communities. It is an incredible honor to have a school in our community named after the civil rights icon and to relay Dr. King's legacy to future generations who can help shape a brighter tomorrow for us all!

On Martin Luther King Jr. Day, I had the privilege to be at the Dr. King Beloved community event in Germantown. At this event, I got to speak with neighbors about Dr. King's legacy, as well as the work I am doing in our legislative district and at the state Capitol to help provide a better quality of life for our community and communities across Pennsylvania.
