DEAR NEIGHBOR,

I am proud to welcome my constituents to the 152nd District's Winter 2023 newsletter. It is an honor to serve the people of our district for a second term in the General Assembly, and I look forward to continuing to provide the top-notch constituent services that you have all become accustomed to.

We have a lot of exciting events coming up in the next few months including an expungement clinic, a shredding event, and a senior fair. We are also including information on some important state programs that we can assist with, including LIHEAP (Low Income Home Energy Assistance Program) and the Property Tax/Rent Rebate Program.

Also in this newsletter are the total amount of constituent services we have provided this past year and the amount of grant money we have helped our district obtain.

As always, my staff and I look forward to serving you. Please reach out to our office if you need any assistance with state-related issues and services.

Sincerely,

STAY INFORMED

IN THE 152ND

I was very proud to present a check for \$2.8 million to Upper Moreland Township for much-needed renovations to their police station and township building.

The students and faculty at the Eastern Center for Arts and Technology never cease to amaze me!

Huge thank you to Horsham Pharmacy and First Baptist Church of Crestmont for hosting a Vaccine Clinic with us.

It was an honor to award lifelong Hatboro resident and Korean War Veteran Ira Bellew a Korean Peace Medal alongside Daesup Chung, Principal Officer of the consulate of the Republic of Korea in Philadelphia.

My staff and I had a fantastic time at my alma mater Queen of Angels Catholic School! I read a book about public service by Justice Sotomayor, gave out some sugar cookies, and had the students create ornaments for our office's Christmas tree.

I had the distinct honor to award retired Command Master Chief Petty Officer John Nolan with a Korean Ambassador for Peace Medal in the presence of the Fleet Reserve Association Branch 146 in Warminster.

Ryan, one of my constituent service advisors, found unclaimed property in my name on the PA Treasury website. I had no idea it was even there!

Special thank you to Imam Bashir, Brother Razin, and Sister Theresa for the candid discussion and lovely tour of the Islamic Cultural Center in Willow Grove.

Mission Kids does so much for the children in our county who are victims of abuse. The \$5.75 million grant awarded to them is well-deserved.

My office hosted Wags Rescue and Referral Animal Hospital for a dog adoption meet and greet that doubled as a donation drive.

We had a shredding and e-waste recycling event and food drive at Upper Moreland High School with the help of Junkluggers and Salem Baptist Church.

Senator Maria Collett and I met with residents of Regency Towers to discuss how our offices can assist them.

It has been such a privilege to serve you all as your state representative, and I am so excited to continue to serve you in my second term. Let's get to work!

We hosted a diaper drive and after tallying up the numbers, a whopping 1,126 diapers were donated!

Throughout November and December, we had a holiday wish list drive for Laurel House. Thank you to all who donated!

In September, I spoke at the unveiling of the Hatboro Memorial Gold Star Garden at Miller Meadow Park.

Even though it was cold, my staff and I had a lot of fun marching in the annual Hatboro Holiday Parade.
