## DEAR NEIGHBOR,

I hope you enjoy our District 152 Summer Newsletter for 2023. I want to share the many accomplishments this year from within our district and other places in the Commonwealth. This second term for me has been a rewarding experience. From advocating for your needs in the General Assembly to serving you in the district office, my staff and I are committed to serving you in every way we can.

We have worked diligently to build upon existing relationships and cultivate new partnerships to deliver new services to the district. This has resulted in a groundbreaking state office partnership with Montgomery County's Community Connections during our satellite office hours at Upper Moreland Library in August, September, and October. During this pilot program, our capable county advocates can help with other intricate issues such as identifying legal services, mental health/addiction services, educational needs, nutritional support, and so much more. In addition to that, we have expanded our Veteran Service Officer hours due to the overwhelming demand from the veterans in our area. We also want to let you know that we have become "community partners" with the County Assistance Office, which means we will be able to assist you with COMPASS and other related assistance programs. We will share more details regarding that on social media and my weekly E-newsletter.

Our office continues to respond to your needs, and I am proud to say that we deliver. We rely on your feedback to improve the delivery of our services, outreach, communications, and state legislative issues, so please, email me at [RepGuenst@pahouse.net](mailto:RepGuenst@pahouse.net) with any comments or concerns you may have.

Sincerely,

## STAY INFORMED

# IN THE 152<sup>ND</sup>

*A wonderful photo with the family of Senator Greenleaf at the dedication of the Senator Stewart Greenleaf Memorial Interchange.*

*I enjoyed reading to the students of Upper Moreland Intermediate School as part of America250's Keystone Classroom Initiative.*

*Rep. Sanchez and I held the "big scissors." Along with the Governor, distinguished guests, and community members, we opened the Salem Baptist Senior Center in Abington.*

*Congresswoman Dean and I were at Mason's Mill Park with the Upper Moreland Environmental Advisory Council for their Earth Day Celebration.*

*Rep. Melissa Cerrato and I were at the Roslyn Annual Pet Fair put together by Clerk of Courts and Abington Commissioner Lori Schreiber.*

I want to devote part of this newsletter to our talented Summer 2023 interns who meticulously planned each of the following events. We will miss them as they go to back to college. This office will always be accessible to ambitious young leaders!

*Our very first Community Yard Sale in partnership with Abington's Center School was a huge success. We had over 250 attendees. Thank you, Mason!*

*It was a pleasure to talk and meet with constituents, old and new, at our Summer Open House. A great time was had by all. Thank you, Ryan!*

*Children enjoyed water ice served to them by school leaders from HHS and UMTSD. An excellent End of Summer Social. Thank you, Juliet!*

# HARRISBURG AND BEYOND

*I stood in solidarity with nurses outside the Capitol to support The Patient Safety Act. Two of my favorite lawmakers, Rep. Melissa Cerrato and Senator Maria Collett joined in as well.*

*Serving on the Veterans Affairs & Emergency Preparedness Committee is one of the great honors and responsibilities of my life. As a woman veteran, I am proud to bring my experience to the committee, as we discuss proposed laws that make life better for vets throughout our Commonwealth.*

*Fourth Grade Students from the Queen of Angels School were on a tour of the State Capitol with me as their guide. It was lovely to see them again – they grow up so fast!*

*Hatboro Councilman Alex Myers and I were at the Pride flag raising this June, outside the Montgomery County Court House.*

*Took a quick break during budget negotiations to play with a sweet pup that visited Harrisburg.*

*My District Office Director, Leo Greenberry, spoke at the US-ROK Ceremony commemorating the 70th anniversary of US-ROK relations and the 73rd anniversary since the beginning of the Korean War.*

*I was honored to be invited to the Grand Opening of the Visiting Nurse Association's North Hills Community Center in Glenside. VNA impacts the well-being of over 5,000 residents in eastern MontCo.*
