- \$300 million in Level Up funding to the 100 most underfunded districts.

- \$35 million (17% increase) for grants and technical assistance to support community-led gun violence prevention.
- \$50 million (44% increase) to state supplemental programs for aged, blind, and individuals with disabilities, to increase the personal care home state supplement.
- \$36.6 million to invest in critical county behavioral health services.

## FAIR EDUCATION FUNDING

Pictured above on Dec. 15, the Special Education Funding Commission approved recommendations to address funding inequity issues in special education. You can read the commission's full report at [specialeducationfundingcommission.pasenategop.com](https://specialeducationfundingcommission.pasenategop.com).

On Dec. 14, Rep. Sturla attended a rally on the Capitol steps in support of the fair funding lawsuit currently in Commonwealth Court, which could quickly fix the basic education funding disparities. Due to insufficient funding, one school has 75 kindergarteners sharing one toilet.

Rep. Sturla has served on both the Special Education Funding Commission and Basic Education Funding Commission since their creations in 2013 and 2014 respectively. With his input, the commissions have made significant recommendations that improved the funding formulas and moved the state in the right direction towards full fair funding. As a result, Pa. moved from being only one of only two states in the nation without an education funding formula to becoming a state that is recognized as having one of the best formulas in the nation. He will continue to work on increasing state funding to better educate students and reduce the reliance on property taxes.

# FIRST LADY WOLF VISITS LANCASTER

On Dec. 8, Pa. First Lady Frances Wolf joined Rep. Sturla in touring Milagro House to learn more about Lancaster's community-based programs that are helping female reentrants. They also spoke with HDC MidAtlantic and Recovering Mothers with Newborns (ReNew).

## COMBATING BIGOTRY AND EXTREMISM

On June 10, 2020, the LNP published Rep. Sturla's op-ed titled "Why we cannot wait to address inequalities and racism" (you can read it at [www.RepMikeSturla.com](http://www.RepMikeSturla.com) in the news release section's opinions subsection) while Black Lives Matter protests occurred nationwide. Nearly 18 months later, he found himself gathering with hundreds at the first lighting of the menorah in Penn Square.

Even though the menorah's damage was accidental, it serves as a reminder

of the importance to reject bigotry of any kind. Rep. Sturla is proud that the community came together to demonstrate our welcoming and loving spirit.

Throughout his legislative career, Rep. Sturla has co-sponsored and voted for numerous resolutions condemning anti-Semitism and other forms of hate. The state legislature heightened its anti-Semitism rebuke in recent years due to the Tree of Life Synagogue shooting in Pittsburgh in 2018.

In the last seven legislative sessions dating back to 2009, Rep. Sturla has co-sponsored legislation to strengthen state laws to target hate crimes and create the PA Fairness Act (House Bill 300) to provide LGBTQ+ protections. Unfortunately, the Republican majority in the General Assembly has prevented these bills from becoming laws.

With LNP reporting about local extremists' meetings, Rep. Sturla will continue to work legislatively on combatting bigotry, racism, and discrimination.

## VOLUNTEERING AT LANCASTER CEMETERY

On Nov. 6, Rep. Sturla helped the Lancaster Cemetery and Northeast Neighbors United plant trees and shrubs in the cemetery.

## PACENET INCOME LIMITS INCREASED

Rep. Sturla voted for legislation that became law to expand access to the PACENET prescription program by raising the income limits from \$27,500 to \$33,500 for a single person and from \$35,500 to \$41,500 for a married couple. To be eligible, you must be 65 years of age or older and not enrolled in the state's Medicaid prescription benefit. Click on prescription assistance at [www.aging.pa.gov](http://www.aging.pa.gov) to apply.

## WATER HELP AVAILABLE

The state is now accepting applications for a new, temporary Low-Income Household Water Assistance Program (LIHWAP) to help families who have overdue water bills or are at risk of losing drinking or wastewater service for their home. The income limits are \$19,320 for a household of one plus \$6,810 for every additional person in the home. Apply at [www.compass.state.pa.us](http://www.compass.state.pa.us).

## RAISING STATE MINIMUM WAGE

While Rep. Sturla was the co-sponsor of the last bill that became law in 2007 to raise the state minimum wage, he has co-sponsored bills to increase the minimum wage every session since then. The current version (House Bill 345) would raise the minimum wage to \$12 per hour and then increase each year until it reaches \$15 per hour and then it would be tied to the consumer price index. In addition, the bill will set the tipped wage to the same level to ensure all workers are paid a living wage. Gov. Wolf has also proposed a minimum wage increase.

## PA HOMEOWNER ASSISTANCE FUND

The PA Homeowner Assistance Fund (PAHAF) is a housing-related program funded by the U.S. Department of the Treasury to assist Pennsylvania homeowners facing financial hardship due to the COVID-19 pandemic that began after January 21, 2020, (including a hardship that began before January 21, 2020 and continued after that date). The program provides financial assistance to homeowners for qualified mortgage and housing-related expenses to avoid delinquency, default, foreclosure, or displacement.
