## ***REAL ID Enforcement Deadline Extended to October 2021***

The deadline to obtain a REAL ID-compliant driver's license or ID card has been extended one year to October 1, 2021. At that time, a REAL ID-compliant driver's license or ID card, or a U.S. Passport or Military ID, will be necessary to board a domestic commercial flight or enter a secure federal facility. This extension is in response to the COVID-19 pandemic.

PennDOT is not currently issuing REAL ID-compliant

driver's license or ID cards. If your license is expiring, you should obtain a regular driver's license or ID card. When REAL IDs become available again, you can choose to upgrade to a REAL ID-compliant driver's license or ID card. There is no requirement that any resident obtain a REAL ID.

More information for REAL ID can be found at [www.dmv.pa.gov/REALID/](http://www.dmv.pa.gov/REALID/).

## *Spotted Lanternflies Return*

The spotted lanternfly, an invasive insect relatively new to the area, has re-emerged this summer. Here are some things you can do to control them.

Adult and nymph spotted lanternflies are prevalent now. Nymphs (which are newly hatched spotted lanternflies) and adults can be found on any plant. However, adults prefer the tree of heaven.

If you find either a nymph or adult spotted lanternfly kill them and place them in a sealed bag and put it in the trash. Alternatively, insecticides can be used directly on spotted lanternflies or any surfaces where they feed and walk.

You can also limit the number of adult spotted lanternflies by removing their preferred host, the tree of heaven, from your yard. It is recommended that you apply herbicide to any remaining tree of heaven stumps.

In addition, while sticky bands are an effective means of control for nymphs, circle traps are better for catching adult spotted lanternflies. These traps also prevent other animals from getting caught. The circle trap is made of mesh and wraps completely around the tree.

The mesh leads them into a collection bag. The bag can be replaced as it fills.

You can make your own circle trap by following instructions found at <https://extension.psu.edu/how-to-build-a-new-style-spotted-lanternfly-circle-trap>.

If you see a spotted lanternfly or egg mass, please report it online at <https://services.agriculture.pa.gov/SLFReport/> or via phone by calling 1-888-4BADFLY.

## *Unemployment Compensation Benefits Expanded*

The Unemployment Compensation (UC) system has been expanded to help those who have lost work due to the pandemic. This includes the creation of the Pandemic Emergency Unemployment Compensation (PEUC) and Pandemic Unemployment Assistance (PUA) programs.

**PEUC** supplements the standard 26 weeks of Unemployment Compensation (UC), by providing an additional 13 weeks of benefits. If you have an open UC claim, the additional weeks will automatically be added to your existing claim. If your benefits have expired, then you must submit an application online at <https://www.paclaims.pa.gov/PEUC>.

PUA provides benefits for self-employed workers, independent contractors, gig workers, and others affected by COVID-19 who are not eligible for regular UC. To apply for PUA visit [pua.benefits.uc.pa.gov/vosnet/](https://pua.benefits.uc.pa.gov/vosnet/).

If you encounter problems or issues with your UC claim call 1-888-313-7284 or email [UChelp@pa.gov](mailto:UChelp@pa.gov). If you encounter issues with your PUA claim call 1-855-284-8545 or email [UCpua@pa.gov](mailto:UCpua@pa.gov).

If issues persist, our office can help. Email us at [RepVitali@pahouse.net](mailto:RepVitali@pahouse.net) or call us at (610) 789-3900 with details about your case.

## *State Could be Holding Your Unclaimed Property*

The Pennsylvania Treasury is seeking the owners of more than \$3.5 billion in unclaimed property. One in 10 Pennsylvanians has money to claim that is legally theirs. Types of unclaimed property include checks from employers and utility companies, dividends and interest from savings accounts and stocks, and credit balances.

My office regularly checks the database for district residents to see if their names are listed, but you can conduct a search for yourself any time. Visit [www.patreasury.gov](http://www.patreasury.gov) to see if you have property with the state.

If you need help, my staff can help you search or claim something in your name.

## *Property Tax/Rent Deadline Extended*

The Property Tax/Rent Rebate Program Deadline has been extended to December 31.

Applications for this program for taxes or rent paid in 2019 are available at my district office or online at [www.revenue.pa.gov](http://www.revenue.pa.gov). The program provides rebates up to \$650 on rent or property tax paid by Pennsylvanians 65 or older, widows and widowers 50 or older, and people with disabilities 18 or older.

The income limit for applicants is \$35,000 a year for homeowners and \$15,000 annually for renters. Half of Social Security income and all Social Security cost-of living increases are excluded from income calculations.

## *Turnpike Begins Toll by Plate Billing*

---

The Pennsylvania Turnpike has suspended the use of cash for toll payments due to COVID -19

Non-E-Z Pass drivers will be billed through a new Toll by Plate system. High speed cameras at each tolling location will photograph a vehicle's license plate as it travels non-stop through payment lanes. An invoice will then be mailed to the owner of the vehicle. Drivers will be charged the cash toll rate.

The toll for a typical vehicle crossing the entire state is about \$53.50 with Toll by Plate. The E-Z Pass discounted toll for the same trip is about \$38.40.
