Rapid Response Services

Recently laid off from the Crozer Health closing notices?

The goal of the Rapid Response program is to provide information about the resources available to assist dislocated workers as they transition to their next opportunity. The team provides information on topics including:

Unemployment Compensation
Job Search Assistance & Training
Health Insurance Enrollment Timelines
Budgeting & Financial Resources

YOU ARE NOT ALONE HELP IS HERE

Live, virtual meetings *will be held from April 30th through May 9th at 10am and 4pm* to assist Delaware County residents who are affected due to the recent Crozer Health closings.

If you have been laid off and are worried about your future, PA CareerLinkSM of Delaware County has free resources available to assist.
