SPS INFORMATION AND LINKS

- **Abington Township** is maintaining and regularly updating a dedicated [webpage](#) on the SPS Technologies Fire. There, you can find the latest press releases, recordings of past press conferences, road closure updates, and more.
- **SPS Technologies** has a dedicated and regularly updated [website](#) to provide updates and resources. You can contact them [here](#) with questions and concerns.
- The **EPA** and **DEP** are continuing to monitor air and water conditions to ensure public safety. According to DEP, as of right now, the area surrounding the fire has been deemed safe. If conditions change, the public will be notified immediately of protective actions to be taken. Their dedicated [webpage](#) is being kept up to date as well.
- For environmental health-related questions you can complete the [Environmental Health Concern Form](#) or call DEP at 717-787-3350.
- Please make sure to sign up for emergency notifications via **Ready Montco** at readymontco.org if you have not already done so.
