DEMOCRATIC COMMITTEE BILL ANALYSIS

Bill No: HB2479 PN3337
Committee: Transportation
Sponsor: Goughnour, Dan
Date: 6/16/2026

Prepared By: Jessica Sander
(717) 772-1786
Executive Director: Kyle Wagonseller

A. Brief Concept

Authorizes the use of red lights on vehicles owned by Allegheny County and operated by fifth judicial district certified armed probation officers.

C. Analysis of the Bill

This bill amends Section 102 (relating to definitions) of Title 75 (Vehicles) to authorize red lights on a vehicle owned by a county of the second class (Allegheny County) and operated by fifth judicial district certified armed probation officers. This is accomplished by adding these vehicles to the definition of "emergency vehicle."

Effective Date:

60 days.

G. Relevant Existing Laws

According to Section 3105 (relating to drivers of emergency vehicles) of Title 75, a driver of an emergency vehicle, when responding to an emergency call or when in the pursuit of an actual or suspected violator of the law or when responding to but not returning from a fire alarm or other emergency call, may exercise the following privileges:

1. Park or stand irrespective of the law.
2. Drive through a red light or stop sign, but only after slowing down as necessary for safe operation.
3. Exceed the maximum speed limits so long as the driver does not endanger life or property.

Despite these privileges, emergency vehicle drivers are not relieved of the duty to drive with due regard for the safety of all persons.

Section 4571 (relating to visual and audible signals on emergency vehicles) states that every emergency vehicle must be equipped with one or more revolving or flashing red lights and an audible warning system. A person who equips or uses a vehicle with visual or audible warning systems in violation of this section commits a summary offense that, upon conviction, is punishable with a fine between \$500 and \$1,000.

According to Section 102 (relating to definitions), an "emergency vehicle" is defined as any of the following:

- a state or county management vehicle;
- a fire department vehicle;
- a police vehicle;
- a sheriff vehicle;
- an ambulance;
- an advanced life support squad vehicle;
- a basic life support squad vehicle;
- an emergency canteen support service organization vehicle;
- a blood delivery vehicle;

- a human organ delivery vehicle;
- a hazardous material response vehicle;
- an armed forces emergency vehicle;
- one vehicle operated by a coroner or chief county medical examiner and one vehicle operated by a chief deputy coroner or deputy chief county medical examiner used for answering emergency calls;
- a vehicle owned by or leased to a regional emergency medical services council that is used as authorized by the Department of Health to respond to an actual or potential disaster, mass casualty situation or substantial threat to public health;
- a vehicle owned by a county or regional police association and operated by a police officer that is used for police transport or victim extraction;
- a vehicle that is owned and operated by a county correctional institution in a city of the first class (Philadelphia) and used to respond to an emergency at a correctional institution in Philadelphia or to escort an ambulance which is transporting sick or injured prisoners in Philadelphia;
- any vehicle operated by a special agent, special agent supervisor, narcotics agent or narcotics agent supervisor while performing official duties as employees of the Office of Attorney General;
- any vehicle owned and operated by the Philadelphia Parking Authority and used in the enforcement of 53 Pa.C.S. Ch. 57 (relating to taxicabs and limousines in first class cities);
- a vehicle owned by Philadelphia and operated by first judicial district certified armed probation officers;
- a vehicle owned and operated by the Pennsylvania Turnpike Commission that is used by an emergency service responder as dispatched by the Pennsylvania Turnpike Commission's traffic operations center;
- any other vehicle designated by the State Police; or
- a privately owned vehicle used in answering an emergency call when used by any of the following:
 - a police chief and assistant chief.
 - a fire chief, assistant chief and, when a fire company has three or more fire vehicles, a second or third assistant chief.
 - a fire police captain and fire police lieutenant.
 - an ambulance corps commander and assistant commander.
 - a county emergency management coordinator.
 - a fire marshal.
 - a rescue service chief and assistant chief.
 - the chief or operations director of a county hazardous materials response team.
 - a police officer who is also a member of a county or regional municipal special emergency response team which is authorized to respond to emergencies under 42 Pa.C.S. Section 8953 (relating to Statewide municipal police jurisdiction).

DEMOCRATIC COMMITTEE BILL ANALYSIS

Bill No:	HB2582 PN3471	Prepared By:	Jessica Sander (717) 772-1786
Committee:	Transportation	Executive Director:	Kyle Wagonseller
Sponsor:	Dougherty, Sean		
Date:	6/16/2026		

A. Brief Concept

Authorizes the use of red lights on state parole fugitive apprehension emergency vehicles.

C. Analysis of the Bill

This bill amends Section 102 (relating to definitions) of Title 75 (Vehicles) to authorize red lights on a state parole fugitive apprehension emergency vehicle. This is accomplished by adding these vehicles to the definition of "emergency vehicle."

"State parole fugitive apprehension emergency vehicle" is defined as a motor vehicle operated by an agent, as defined in 61 Pa.C.S. Section 6101 (relating to definitions), that is used to respond to an emergency or an activity of law enforcement and meets the following criteria:

1. The operator has completed an emergency vehicle operator training course approved by the Department of Corrections.
2. The motor vehicle is:
 - i. engaged in the apprehension of an absconder or escapee;
 - ii. responding to a confirmed escape;
 - iii. responding to an immediate threat to public safety; or
 - iv. assisting a Federal, State, or local law enforcement agency in this Commonwealth, including task force operations.
3. The motor vehicle is in compliance with the written emergency vehicle policy governing the use, supervision, safety and reporting of State parole fugitive apprehension emergency vehicles developed and implemented by the Department of Corrections.

Effective Date:

60 days.

G. Relevant Existing Laws

According to Section 3105 (relating to drivers of emergency vehicles) of Title 75, a driver of an emergency vehicle, when responding to an emergency call or when in the pursuit of an actual or suspected violator of the law or when responding to but not returning from a fire alarm or other emergency call, may exercise the following privileges:

1. Park or stand irrespective of the law.
2. Drive through a red light or stop sign, but only after slowing down as necessary for safe operation.
3. Exceed the maximum speed limits so long as the driver does not endanger life or property.

Despite these privileges, emergency vehicle drivers are not relieved of the duty to drive with due regard for the safety of all persons.

Section 4571 (relating to visual and audible signals on emergency vehicles) states that every emergency vehicle must be equipped with one or more revolving or flashing red lights and an audible warning system. A person who equips or uses a vehicle with visual or audible warning

systems in violation of this section commits a summary offense that, upon conviction, is punishable with a fine between \$500 and \$1,000.

According to Section 102 (relating to definitions), an "emergency vehicle" is defined as any of the following:

- a state or county management vehicle;
- a fire department vehicle;
- a police vehicle;
- a sheriff vehicle;
- an ambulance;
- an advanced life support squad vehicle;
- a basic life support squad vehicle;
- an emergency canteen support service organization vehicle;
- a blood delivery vehicle;
- a human organ delivery vehicle;
- a hazardous material response vehicle;
- an armed forces emergency vehicle;
- one vehicle operated by a coroner or chief county medical examiner and one vehicle operated by a chief deputy coroner or deputy chief county medical examiner used for answering emergency calls;
- a vehicle owned by or leased to a regional emergency medical services council that is used as authorized by the Department of Health to respond to an actual or potential disaster, mass casualty situation or substantial threat to public health;
- a vehicle owned by a county or regional police association and operated by a police officer that is used for police transport or victim extraction;
- a vehicle that is owned and operated by a county correctional institution in a city of the first class (Philadelphia) and used to respond to an emergency at a correctional institution in Philadelphia or to escort an ambulance which is transporting sick or injured prisoners in Philadelphia;
- any vehicle operated by a special agent, special agent supervisor, narcotics agent or narcotics agent supervisor while performing official duties as employees of the Office of Attorney General;
- any vehicle owned and operated by the Philadelphia Parking Authority and used in the enforcement of 53 Pa.C.S. Ch. 57 (relating to taxicabs and limousines in first class cities);
- a vehicle owned by Philadelphia and operated by first judicial district certified armed probation officers;
- a vehicle owned and operated by the Pennsylvania Turnpike Commission that is used by an emergency service responder as dispatched by the Pennsylvania Turnpike Commission's traffic operations center;
- any other vehicle designated by the State Police; or
- a privately owned vehicle used in answering an emergency call when used by any of the following:
 - a police chief and assistant chief.
 - a fire chief, assistant chief and, when a fire company has three or more fire vehicles, a second or third assistant chief.
 - a fire police captain and fire police lieutenant.
 - an ambulance corps commander and assistant commander.

A. Brief Concept

Provides legislative authorization for itemized capital bridge projects throughout the Commonwealth that may be funded through debt or current revenues.

C. Analysis of the Bill

House Bill 2644 is the Highway-Railroad and Highway Bridge Capital Budget Supplemental Act for 2025-2026. This bill provides capital authorization for the repair, rehabilitation or replacement of state-owned bridges, as well as locally-owned bridges. The bill makes the itemized projects eligible for funding, but does not guarantee funding for the projects.

The authorization for capital projects in the category of highway bridge projects and forestry and State park bridge projects to be constructed by the Department of Transportation or the Department of Conservation and Natural Resources, and to be financed by the incurring of debt or from current revenues from the Motor License Fund itemized under the category of state bridges, shall be \$3,804,519,537.

The authorization for non-state highway bridge projects to be constructed by municipalities and to be financed in part with grants not exceeding 80% of the non-Federal share of the costs made to the local government municipalities by the Department of Transportation from current revenues in the Motor License Fund itemized under the category of local bridges, shall be \$962,302,279.

The total authorization for the capital projects itemized in this bill shall be \$4,766,821,816.

Effective Date:

Immediately.

G. Relevant Existing Laws

Act 235 of 1982 was the Highway-Railroad and Highway Bridge Capital Budget Act for 1982-1983. The most recent supplement to that Act was Act 78 of 2022.

The Pennsylvania Constitution, Article 8, Section 7, states that "no debt shall be incurred by or on behalf of the Commonwealth except by law and in accordance with the provisions of this section.

1. Debt may be incurred without limit to suppress insurrection, rehabilitate areas affected by man-made or natural disaster, or to implement unissued authority approved by the electors prior to the adoption of this article.
2. The Governor, State Treasurer and Auditor General, acting jointly, may (i) issue tax anticipation notes having a maturity within the fiscal year of issue and payable exclusively from revenues received in the same fiscal year, and (ii) incur debt for the purpose of refunding other debt, if such refunding debt matures within the term of the original debt.
3. Debt may be incurred without limit for purposes specifically itemized in the law authorizing such debt, if the question whether the debt shall be incurred has been

- submitted to the electors and approved by a majority of those voting on the question.
4. Debt may be incurred without the approval of the electors for capital projects specifically itemized in a capital budget, if such debt will not cause the amount of all net debt outstanding to exceed one and three-quarters times the average of the annual tax revenues deposited in the previous five fiscal years as certified by the Auditor General. For the purposes of this subsection, debt outstanding shall not include debt incurred under clauses (1) and (2) (i), or debt incurred under clause (2) (ii) if the original debt would not be so considered, or debt incurred under subsection (3) unless the General Assembly shall so provide in the law authorizing such debt."

The Capital Facilities Debt Enabling Act requires that a capital project itemization bill must specifically itemize the capital projects to be financed from the proceeds of obligations of the Commonwealth. Capital project itemization must include all of the following:

1. A description of the capital project, including the municipality or county in which the capital project is located.
2. The estimated financial cost of the capital project.

This does not apply if the itemization is:

1. contained in or approved by prior legislation referred to in the capital budget bill or capital project itemization bill; or
2. included in one or more supplemental capital budget bills or capital project itemization bills.

Capital projects must be listed in separate categories as well as according to the fund to be charged with the repayment of the obligations to be incurred.

THE GENERAL ASSEMBLY OF PENNSYLVANIA

HOUSE BILL

No. 2644 Session of
2026

INTRODUCED BY NEILSON AND BENNINGHOFF, JUNE 16, 2026

REFERRED TO COMMITTEE ON TRANSPORTATION, JUNE 16, 2026

A SUPPLEMENT

1 To the act of December 8, 1982 (P.L.848, No.235), entitled "An
2 act providing for the adoption of capital projects related to
3 the repair, rehabilitation or replacement of highway bridges
4 to be financed from current revenue or by the incurring of
5 debt and capital projects related to highway and safety
6 improvement projects to be financed from current revenue of
7 the Motor License Fund," itemizing additional State and local
8 bridge projects.

9 The General Assembly of the Commonwealth of Pennsylvania
10 hereby enacts as follows:

11 Section 1. Short title.

12 This act shall be known and may be cited as the Highway-
13 Railroad and Highway Bridge Capital Budget Supplemental Act for
14 2026-2027.

15 Section 2. Definitions.

16 The following words and phrases when used in this act shall
17 have the meanings given to them in this section unless the
18 context clearly indicates otherwise:

19 "Account." The Highway Bridge Improvement Restricted Account
20 within the Motor License Fund.

21 "Capital project." A capital project as defined in section

1 302 of the act of February 9, 1999 (P.L.1, No.1), known as the
2 Capital Facilities Debt Enabling Act, and shall include a county
3 or municipal bridge rehabilitation, replacement or improvement
4 project as set forth in this act.

5 "Department." The Department of Transportation of the
6 Commonwealth.

7 "Secretary." The Secretary of Transportation of the
8 Commonwealth.

9 Section 3. Total authorization for bridge projects.

10 (a) Total projects.--The total authorization for the costs
11 of the projects itemized pursuant to this act and to be financed
12 from current revenue or by the incurring of debt shall be
13 \$4,766,821,816.

14 (b) State projects.--The authorization for capital projects
15 in the category of highway bridge projects and forestry and
16 State park bridge projects to be constructed by the department
17 or the Department of Conservation and Natural Resources, or
18 their successors or assigns, and to be financed by the incurring
19 of debt or from current revenue, itemized in this act under the
20 category of State bridges, shall be \$3,804,519,537.

21 (c) Non-State projects.--The authorization for non-State
22 highway bridge projects to be constructed by municipalities and
23 to be financed in part with grants not exceeding 80% of the non-
24 Federal share of the costs made to the local government
25 municipalities by the department from current revenues itemized
26 in this act under the category of local bridges shall be
27 \$962,302,279.

28 Section 4. Itemization of bridge projects.

29 The individual capital projects in the category of highway
30 projects to be constructed by the department, its successors or

1 assigns, and to be financed from current revenue or by the
2 incurring of debt are hereby itemized, together with their
3 estimated financial costs, in the following sections.

1 The following shall apply:

2 (1) Any money derived from the incurring of debt shall
3 be used solely for effecting the rehabilitation, replacement
4 or removal of bridges located on State highways. All other
5 bridge rehabilitation, replacement or removal shall be
6 financed from current revenue.

7 (2) Notwithstanding any law to the contrary, the
8 projects itemized in the act of December 8, 1982 (P.L.848,
9 No.235), known as the Highway-Railroad and Highway Bridge
10 Capital Budget Act for 1982-1983, may be financed from
11 current revenue.

12 Section 73. Debt authorization.

13 The Governor, Auditor General and State Treasurer are hereby
14 authorized and directed to borrow from time to time, in addition
15 to any authorization heretofore or hereafter enacted, on the
16 credit of the Commonwealth, subject to the limitations provided
17 in the current capital budget, money not exceeding in the
18 aggregate the sum of \$4,766,821,816 as may be found necessary to
19 carry out the acquisition and construction of the State projects
20 specifically itemized in this act.

21 Section 74. Issue of bonds.

22 The indebtedness authorized in this act shall be incurred
23 from time to time and shall be evidenced by one or more series
24 of general obligation bonds of the Commonwealth in such
25 aggregate principal amount for each series as the Governor,
26 Auditor General and State Treasurer shall determine, but the
27 latest stated maturity date shall not exceed 30 years from the
28 date of the bond first issued for each series.

29 Section 75. Estimated useful life of projects.

30 The General Assembly states the estimated useful life of the

1 projects itemized in this act is 30 years.

2 Section 76. Appropriation.

3 The net proceeds of the sale of the obligations authorized in
4 this act are hereby appropriated from the Capital Facilities
5 Fund to the department in the maximum amount of \$3,804,519,537
6 to be used by it exclusively to defray the financial costs of
7 the State projects specifically itemized in this act. After
8 reserving or paying the expenses of the sale of the obligation,
9 the State Treasurer shall pay out to the department the money as
10 required and certified by it to be legally due and payable.

11 Section 77. Federal funds.

12 In addition to those funds appropriated in section 76, all
13 money received from the Federal Government for the public
14 improvement projects specifically itemized in this act are also
15 hereby appropriated for those projects.

16 Section 78. Allocation of funds.

17 (a) General rule.--Whenever the department or the Department
18 of Conservation and Natural Resources determines that the full
19 estimated financial costs of the projects itemized in this act
20 are not necessary for the proper design, acquisition or
21 construction of such projects, the excess funds no longer
22 required may be allocated by the department or the Department of
23 Conservation and Natural Resources to increase the estimated
24 costs of any one or more of the projects specifically itemized
25 in a capital budget.

26 (b) Reimbursement of municipal expenditures.--Money raised
27 or expended by municipalities after the effective date of this
28 act, in anticipation of receipt of funds authorized for projects
29 itemized by this act, may be reimbursable to those
30 municipalities.

1 Section 79. Policy on jobs and materials.

2 (a) Jobs.--It is the declared policy of the Commonwealth
3 that the construction projects authorized in this act be used,
4 to the greatest extent possible, to provide for the creation of
5 jobs and the rehiring of the unemployed in this Commonwealth. In
6 order to reach this goal, firms with Commonwealth-based
7 facilities shall be actively solicited to make bids on contracts
8 to furnish products and materials, including, but not limited
9 to, steel and steel products, to be used in these projects.

10 (b) Materials.--Every contract document entered into to
11 undertake a project contained in this act shall provide that any
12 steel or other products to be used or supplied in the
13 performance of this contract be required to be manufactured by
14 plants in the United States unless the secretary determines, on
15 a contract-by-contract basis, that certain required products are
16 not produced in the United States in sufficient quantities to
17 meet the requirements of the contract. Such a determination and
18 the reasons therefor shall be published in the Pennsylvania
19 Bulletin. Decisions made under this subsection shall not be
20 inconsistent with the general provisions of the act of March 3,
21 1978 (P.L.6, No.3), known as the Steel Products Procurement Act.

22 (c) Minorities and women.--It is also the declared policy of
23 the Commonwealth to require and encourage substantial
24 participation by minorities and women in the construction
25 projects authorized by this act.

26 Section 80. Payment of capital debt service.

27 The repayment of any debt incurred pursuant to this act shall
28 be made from the account and such repayment shall have first
29 claim on the revenues of the account.

30 Section 81. Authorization and debt cumulation.

1 The additional authorization and debt allowance provided for
2 in this act shall be added to the total authorizations and debt
3 incurred pursuant to the act of December 8, 1982 (P.L.848,
4 No.235), known as the Highway-Railroad and Highway Bridge
5 Capital Budget Act for 1982-1983, as amended and supplemented.
6 Section 82. Editorial changes.

7 In editing and preparing this act for printing following the
8 final enactment, the Legislative Reference Bureau shall insert
9 or revise letters or numbers for projects where the letters or
10 numbers are missing or require revision. The bureau shall also
11 revise the total monetary amounts for the total authorization,
12 debt authorization, appropriations and departmental totals as
13 necessary to agree with the total monetary amounts of the
14 projects.

15 Section 83. Effective date.

16 This act shall take effect immediately.
