**Reach For The Stars
Puppet Productions™**

With Puppeteer, Mom-mom Nonna

is unearthing a story that combines Paleontology, Archaeology, and American History in a way that is sure to delight all audiences!

As Philadelphia prepares for America's big 250th Celebration, a discovery of a mysterious box changes everything.

As the story unfolds, history begins to crack!

A T-Rex is unleashed upon the city, and the Liberty Bell goes missing.

With the anniversary parade only hours away, follow our heroes, paleontologist

Dr. Dee N. A. Bones and her sharp-nosed assistant, Kiki the Kiwi, on a high-stakes adventure through the streets of Philadelphia to save the City and our national treasure, along with meeting the demands of the frantic Mayor Seymour Panic before the big celebration is ruined.

Experience a "Night At The Museum"-style adventure full of creative hand puppets, hidden surprises, and special effects!

The trademark hand-crafted stage and originally written script bring history to life with a twist that will keep you **on the edge of your seat.**

Stick around after the performance for a sfun dance to "Shake The Sillies Off" and a sppecial backstage pass!

Meet the puppets and learn how Mom-mom Nonna makes the magic happen.
