High School Robotics Teams Battle it out in Arena-Style Competition

October 24, 2026

8:00 AM – 5:00 PM

**Wissahickon High School Gymnasium
521 Houston Road, Ambler, PA 19002**

<http://www.rampriot.com>

Ramp Riot is Team 341's annual off-season event. With its humble roots as an 8-team scrimmage back in 2000, Ramp Riot now draws 34 teams and over 2,000 spectators yearly. Every November, those 34+ teams (representing up to 8 states) come together to battle it out in arena-style competition.

However, Ramp Riot is much more than just a competition. Attending teams use Ramp Riot to introduce rookie members to the FIRST® atmosphere and gear up for the coming season. Ramp Riot has also hosted helpful seminars and information sessions for teams to share what they know and learn from each other. Community members find plenty of fun between matches with face painting and robot driving zones!

North Wales Borough is developing a Streetscape Plan to help guide future improvements to our downtown. The plan will look at how our streets, sidewalks, buildings, and public spaces work together to create a downtown that is safe, welcoming, attractive, and functional.

Community input is a critical part of this process. Your feedback will help identify priorities, highlight concerns, and shape recommendations for future improvements.

Please take a few minutes to complete the survey:

Community Survey:

North Wales Borough Streetscape Plan

We need your input! You're invited to participate in a community survey to help the Borough identify future improvements to enhance the look, feel, and function of "downtown" North Wales. The plan will examine how streets, sidewalks, buildings, and public spaces work together to establish an environment that is safe, appealing, and inviting. Community feedback will help the project team identify community concerns, shape recommendations, and guide the process.
