Tree Lighting Celebration And House Decorating Contest

The North Wales Community Project Alliance (NWCPA) would like to invite you to the 23rd Annual Tree Lighting Celebration! Please join us December 6, 2026, in the North Penn Volunteer Fire Co. for a fun evening with your family and neighborhood friends.

The evening begins at 4 p.m. with crafts and holiday music for children 15 years old and younger. After making crafts, we proceed outside to light our holiday tree and wait for Santa Claus to arrive by fire truck. Santa will be prepared to hear our holiday wishes!

Following the tree lighting, Santa returns to the fire house and joins us for holiday treats, hot cocoa with plenty of your favorite toppings, along with surprises for everyone!

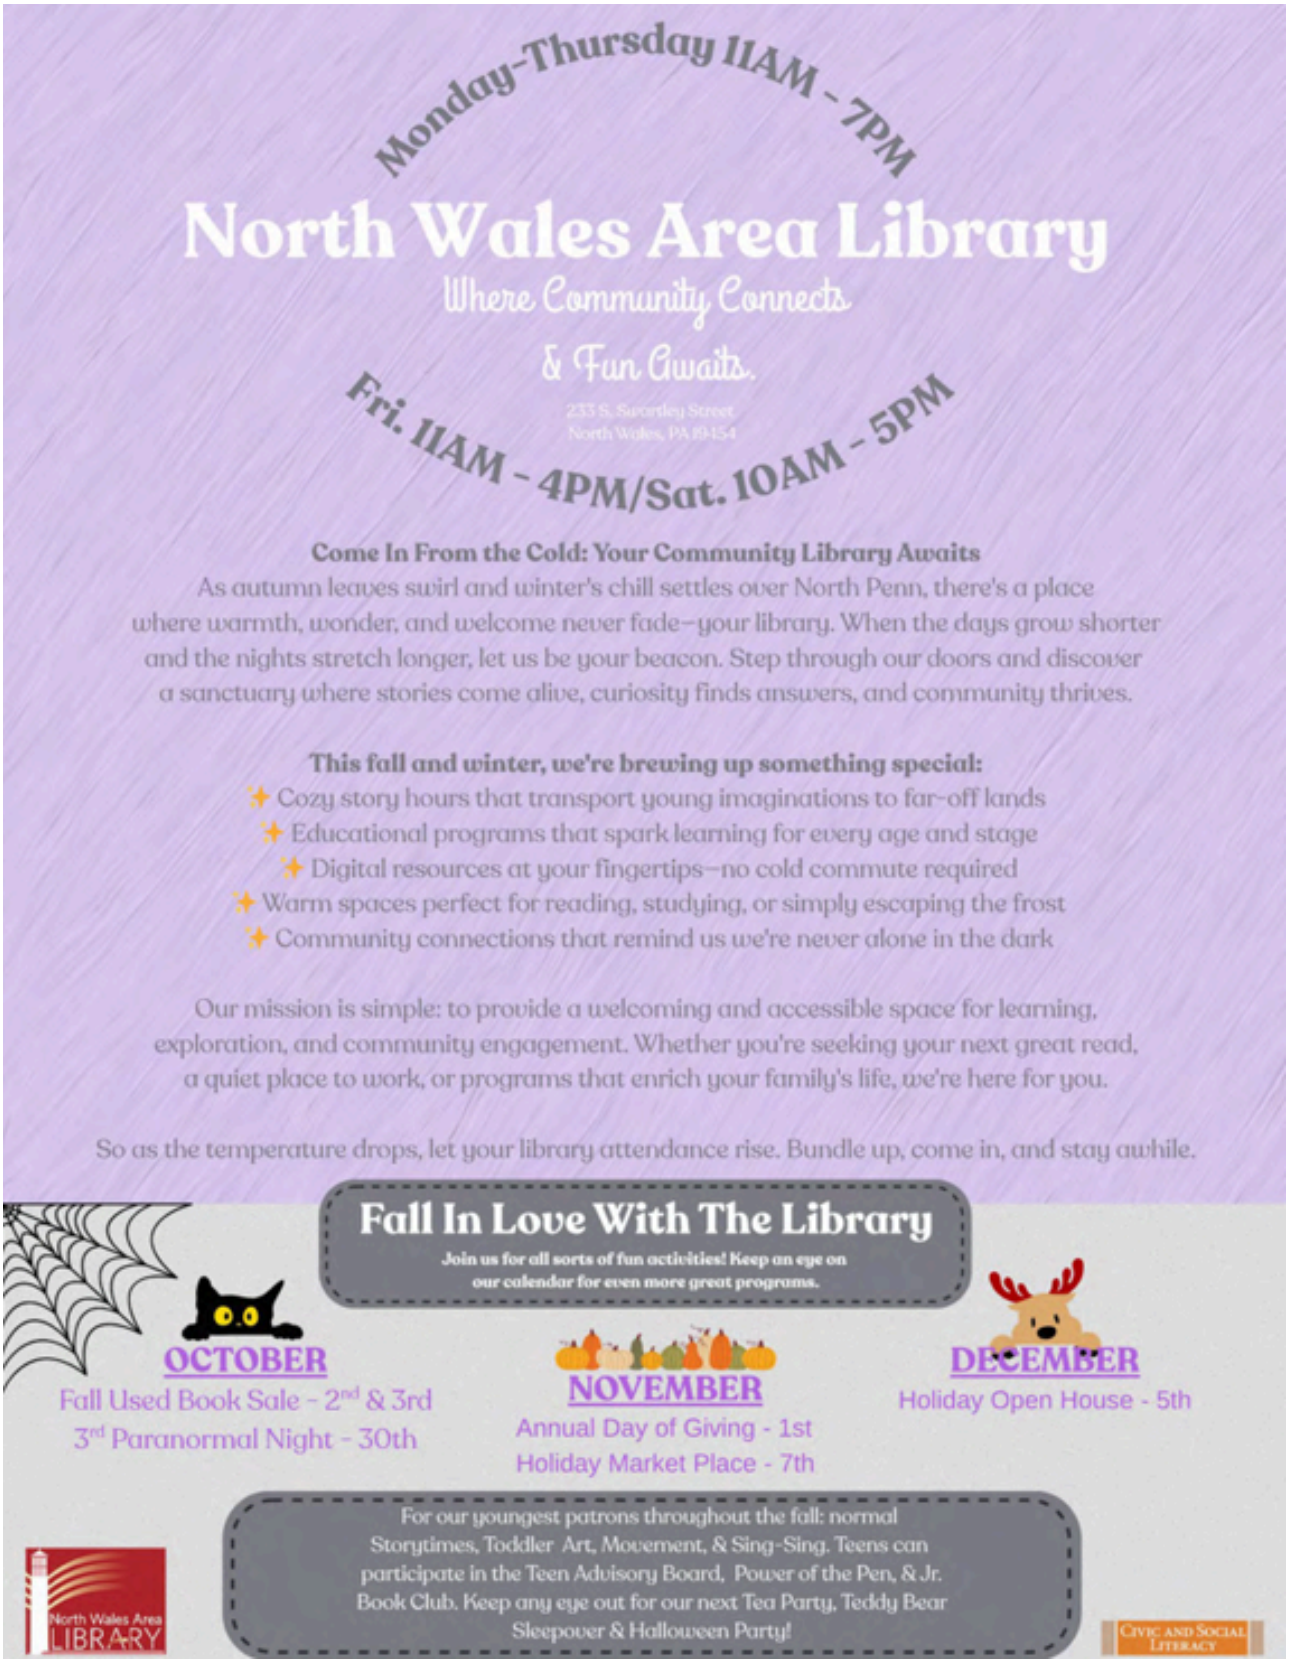

This December, we are also excited to hold our annual House Decorating Contest! The House Judging will take place on Sunday, December 13, at 7 p.m. The winner's home will be featured in the 2027 Fall-Winter Newsletter!

The North Wales Community Project Alliance (NWCPA) is a non-profit borough-based group of volunteers established to carry out activities that promote the well-being and pride of our community. The NWCPA proudly organizes the Fourth of July Parade and Picnic, Tree Lighting Celebration, and House Decorating Contest. These events are free to the public and are solely dependent on donations from generous local sponsors.

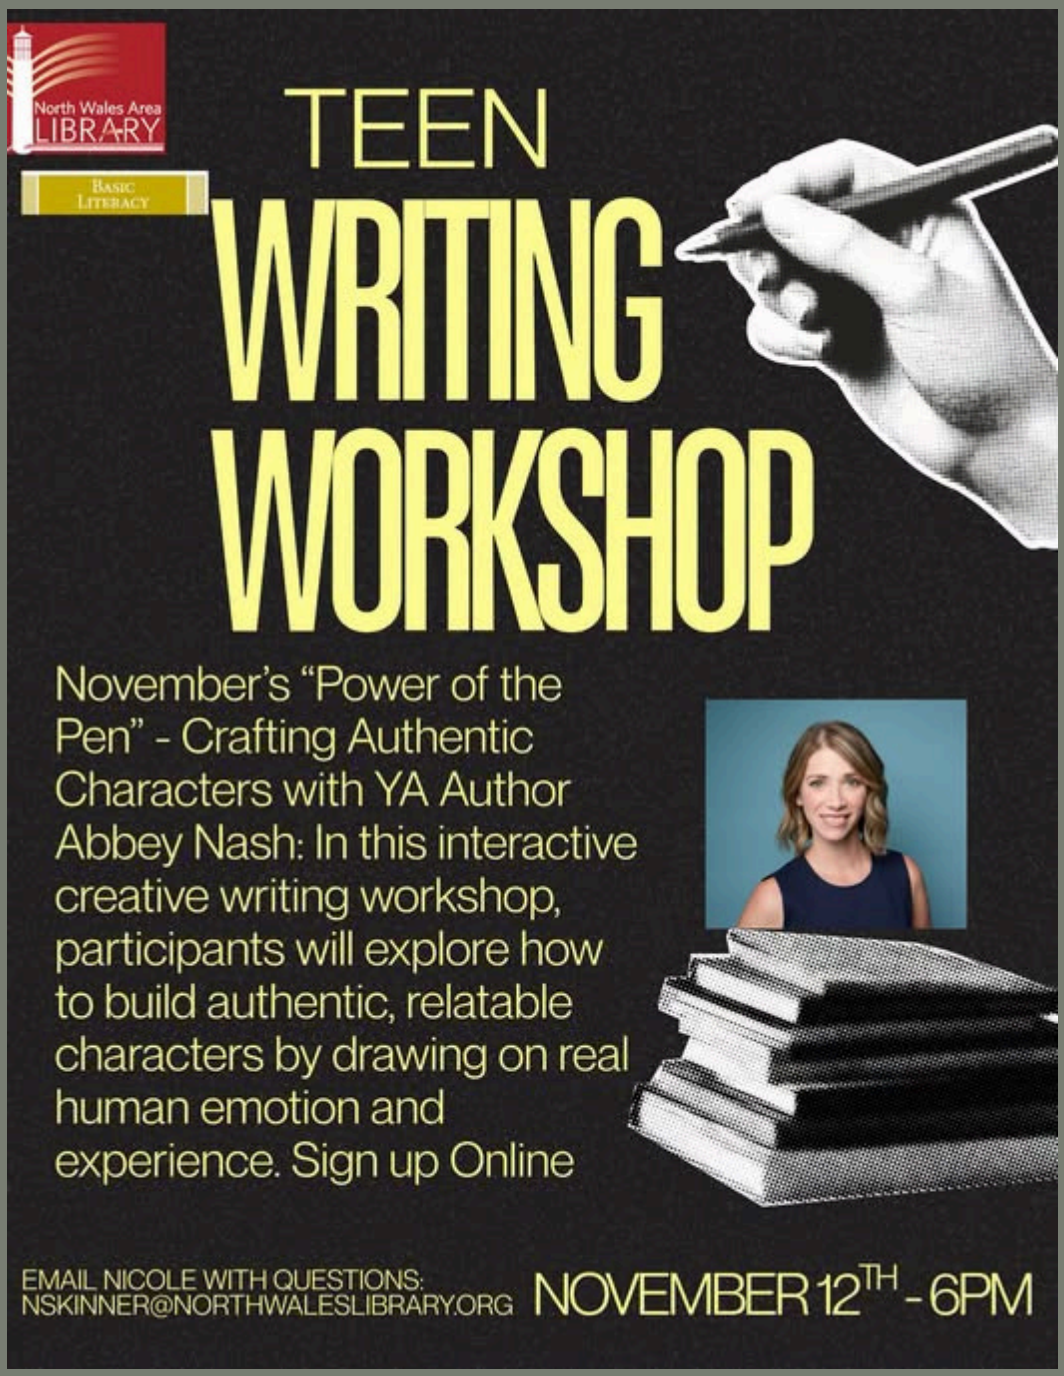

Throughout December, stop by the Borough Hall to drop off Letters for Santa!

Come In From the Cold: Your Community Library Awaits
As autumn leaves swirl and winter's chill settles over North Penn, there's a place where warmth, wonder, and welcome never fade—your library. When the days grow shorter and the nights stretch longer, let us be your beacon. Step through our doors and discover a sanctuary where stories come alive, curiosity finds answers, and community thrives.
This fall and winter, we're brewing up something special:
✨ Cozy story hours that transport young imaginations to far-off lands
✨ Educational programs that spark learning for every age and stage
✨ Digital resources at your fingertips—no cold commute required
✨ Warm spaces perfect for reading, studying, or simply escaping the frost
✨ Community connections that remind us we're never alone in the dark
Our mission is simple: to provide a welcoming and accessible space for learning, exploration, and community engagement. Whether you're seeking your next great read, a quiet place to work, or programs that enrich your family's life, we're here for you.
So as the temperature drops, let your library attendance rise. Bundle up, come in, and stay awhile.
