It's Summer, Summer, Summer Time!

I wanted to reach out and make sure that you and your families know about the many programs offered by both the city and the state to ensure that your family has a safe, fun and happy summer. Throughout this mailer, you'll find information about some of those programs and about an event where you can find out more.

Don't hesitate to contact my office if you need assistance or have questions!

Summer Food Service Program

SUN Bucks, Pennsylvania's Summer EBT program, is a new grocery benefits program that provides households with a one-time payment of \$120 for each eligible child to buy food while school is out. Benefits can be used at local participating retailers to purchase groceries.

Many children will get these benefits automatically, but some households will need to apply. The benefits will be added to an existing SNAP/TANF EBT card or a newly issued Summer EBT card.

Food For Kids On Summer Vacation

The PA Department of Education administers the federally funded Summer Food Service Program, which provides free nutritious meals to children ages 18 and under (and some over-18s in school programs) when school is out.
