## DEAR NEIGHBORS,

It feels like this year flew by! As we get closer to the end of the year and enjoy the holidays, I know many of us are looking for a little bit of good news and a strong sense of stability.

That's exactly what my colleagues and I have been fighting for all summer and fall. We've finally passed a bipartisan state budget that truly works for all Pennsylvanians, making sure we take care of those who need it most in our community.

I am proud to tell you that I voted for this budget because it secures a balanced plan with no new taxes and no withdrawal from the Rainy Day Fund. At a time when every trip to the grocery store or gas pump feels more expensive, we made sure this budget stands up for taxpayers like you today and in the future, meaning you will not face any state tax hikes.

This budget delivers direct relief and investment right here in our district:

- 📌 **Record School Investment:** We secured an incredible \$16 million increase for our public schools to give our children the best chance to learn and succeed.
- 📌 **Essential Public Safety:** We invested \$2 million for the Harrisburg Bureau of Fire because the safety of our families is always my number one concern.
- 📌 **Working Pennsylvanians Tax Credit:** This vital credit offers direct, meaningful relief to local, hardworking families who need it most, putting more money back into your pockets.
- 📌 **Preserving Our History:** We secured an additional \$1 million for the Capitol Preservation Committee to maintain and protect our historic state facilities.
- 📌 **Infrastructure & Environment:** We're fixing our vital roads and bridges, protecting our clean air and water, and supporting the local small businesses that hire our neighbors.
- 📌 **Local Job Security:** We made sure that Cumberland and Dauphin Counties won't be forced to lay off essential, hardworking people who keep our communities moving.

As the weather gets colder, please remember that my staff and I are here for you. We aim to make your winter season one filled with hope and the support services you need. We are your resource for state government.

Wishing you a joyful and healthy holiday season and year ahead!

Nate Davidson  
State Representative

# AT THE CAPITOL

## A BILL OF MINE IS NOW LAW!

I was the first freshman member this session to have a bill signed into law! My bill authorizes the transfer of state-owned land in Harrisburg to the Susquehanna Regional Transportation Authority (SRTA), which operates as rabbittransit/CAT. This land conveyance is essential for allowing SRTA to construct a modern transit facility to replace its outdated headquarters, a project vital for improving reliability, maintenance, and future expansion capacity of the regional transit system. SRTA's services span 12 counties and are dependent upon by an estimated 9,200 riders daily, with nearly 60% of them having no other means of transportation. This legislative success ensures the long-term stability and efficiency of public transit for millions of annual passenger trips across the region.

IT'S BEEN A BUSY YEAR AT THE CAPITOL, AND I'VE BEEN HARD AT WORK ON MANY THINGS. SCAN THE QR CODES FOR SOME HIGHLIGHTS:

**H.B. 464**  
Seeking justice for victims of childhood Sexual assault

**H.B. 1450**  
Making it easier for first time homebuyers to afford a home

**H.B. 180**  
Providing free school lunches to all Pennsylvania students
