## DEAR NEIGHBOR,

I've been working hard in the House to pass bills that improve your life and the health and prosperity of our community. Some highlights include the Working Pennsylvanians Tax Credit, The Cannabis Health and Safety Act, and the Raise the Wage Act. Now, we look forward to passing a budget that benefits all Pennsylvanians.

I'm also proud to announce my bipartisan bill that protects firefighters' income passed the House! The bill would exclude contributions to length-of-service award programs from the definition of income for Personal Income Tax purposes, keeping the hard-earned money our firefighters earned in their pockets.

I'm excited to continue fighting to invest in public education, support working families, increase investments in our mental health services and more. There's so much to do, and I'm not wasting a second as your Representative.

*Justin C. Fleming*

# WHAT'S HAPPENING IN HARRISBURG

*I deliver this simple message wherever I go: Let's keep the STEEL in Steelton.*

*My office joined the offices of state Senator Patty Kim and Reps. Dave Madsen, Nate Davidson and Tom Mehaffie to provide one-on-one assistance for laid-off workers. Our community is facing a tough situation, but we're in it together—and the fight is far from over.*

*Nearly 100 Scouts from across Pennsylvania were at the Capitol in June for Scouting America's annual "Report to the Commonwealth." I fondly remember my Scouting days, and it was my pleasure to welcome these driven, motivated, and highly skilled boys and girls to the Capitol!*

*I was honored to participate in the 33rd annual Central PA PrideFest!*

*Congratulations to Henry Hitz of Boy Scout Troop 233 in Dauphin County. For his Eagle Scout Project, Henry, along with his family and fellow troop members, installed a bin at American Legion Post 1001 Canteen for the collection of retired American flags.*

*I hosted a free Spaghetti Lunch for veterans alongside Reps. Madsen and Davidson. It was an honor to speak with all our local veterans!*

*It was an honor to meet Mr. Jesse Rohrer from Penbrook and his fellow Special Olympians! Jesse, who is a skier, and his fellow athletes recently competed in Turin, Italy!*

*I met Mayor Neil McDevitt of North Wales, PA who is believed to be the first deaf person in modern history to be elected mayor of a municipality anywhere in the U.S.*

*It was a pleasure to help pack thousands of pounds of food and juice for HANNA's Pantry, which helps hundreds of families each month.*

*I was honored to present a James R. Roebuck Scholarship from the PA Legislative Black Caucus to Syeer Starling from Central Dauphin High School.*

*We welcomed Abbott Elementary star and award-winning actress Sheryl Lee Ralph to the Capitol in May! She read to the children in attendance and spoke about the importance of reading and literacy in America.*

*Eighteen years after its closing, big plans are underway to redevelop the Harrisburg State Hospital Grounds. I toured the old buildings and learned all about the future of this historic plot of land.*

*I talked government with middle-school students from Camp Curtin in Harrisburg. They were rewarded a special field trip for having great grades and good behavior during the school year.*

*I had a wonderful time meeting with students from Mountain View Elementary School who took a field trip to the Capitol and the State Museum.*
